## TO QUALIFY

The scholarship is to high school seniors, high school graduates or those who have earned a GED and are interested in attending. The scholarship is not transferable and is good only for September or February starts of the year it is awarded. The scholarship may be used only at The Art Institute of Cincinnati. Any person who wins a scholarship and then decides not to attend AIC will forfeit their scholarship.

All scholarships are credited to the students' accounts in four (4) equal quarterly disbursements. Second year February students are eligible for half of the Ron Long second year scholarship - or \$1,000. The remainder may be awarded to a second student. In case of a tie students will split the scholarship. A student must maintain a GPA of 3.5 or better; have a positive attitude towards the college and an excellent attendance record. Any student who drops out, is dismissed or fails to meet any one of the aforementioned qualifications would lose of any scholarship monies remaining.

Any student who enters an AIC Scholarship must understand that in order to qualify they must meet all requirements specified in said scholarship. They must also understand that from the field of eligible applications the ultimate decision of who is chosen to receive the scholarship is left to the discretion of the judges.

Note: The Art Institute will exercise all reasonable care in the handling of entries, but cannot be held responsible for materials/slides damaged, stolen or misplaced. Upon completion of the judging (date of pick-up will be given on the day entries are delivered) entrants will be responsible for picking up entries.
